

ACCESIA CURETTES AND SCALERS

Instruments to aid you with tricky dental problems. Scaler and Curettes with either Stainless Steel or Nanopal Coating. Both versions have an ergonomic and lightweight bionic handle.

Replaceable tips If it wears out, instead of throwing the whole instrument away, you can send it to us and we will replace according to your instructions .i.e. one or both tips.

Available in two versions

Nanopal coating that is super durable and doesn't need any sharpening

Stainless steel that is durable and gets the job done. Require sharpening as and when needed.
